Full Size Ice Chests

Sportsman™

A roto-molded cooler that has all of the leading competitor's features – and more – at a vastly better price. No other roto-molded cooler in the market has packed in more value than the Sportsman™. From the StableGrip™ Handles to the RapidFlo™ Drain System to the ultra thick insulation, this virtually indestructible rotational molded chest has all of the features outdoorsmen want, plus the durability and ice retention they need.

- Virtually indestructible rotational-molded construction
- Minimum 2" insulating foam in gasketed lid and 1.5-2" foam in body for superior cooling performance
- Robust swing-up side handles provide easy, stable transport and fold flat for space-efficient storage
- Oversized, threaded drain plug allows quick draining and easy cleaning, with a tether to prevent loss
- Durable rubberized T-handle lid latches keep contents secure during transportation
- Self-stopping integrated lid hinge opens and closes efficiently
- Anti-skid feet on base keep cooler stable and secure on smooth surfaces
- Corrosion-resistant aluminum hinge rods and latch pins for durable performance
- Lockable lid for maximum security (uses standard-sized lock)
- Fish-measuring ruler molded into lid tells you if you should keep it or throw it back
- Raised, textured, nonslip lid makes a perfect work surface
- Certified "Bear Resistant" by the Interagency Grizzly Bear Committee"
- 5 Year Warranty
